Message From Our Board President

We have seen tremendous accomplishments at St. John United Way over this past year.

In 2018-2019, St. John United Way allocated over $650,000 to support over 30 partner agencies and programs throughout St. John Parish in the areas of health, education and financial stability.

This support would not be possible if it were not for the contributions from local companies, their employees and individuals throughout St. John Parish. Thanks to this continued support, St. John United Way saw success in its fundraising efforts in 2018-2019; raising over $840,000.

St. John United Way is looking forward to continuing to grow our successes through our partnerships in St. John Parish. We plan to increase our fundraising efforts, which ultimately will lead to greater services provided to those in need. We are very excited about the future direction of St. John United Way!

Sincerely,
Gilda Arcuri

Our Mission:

Uniting people and resources to create lasting changes in St. John the Baptist Parish by focusing on the building blocks for a better life – HEALTH, EDUCATION AND FINANCIAL STABILITY.
St. John United Way’s 2018-2019 Campaign received pledges of over $840,000 to support programs and services throughout St. John the Baptist Parish.

St. John United Way runs a year-round fundraising campaign from May 1st to April 30th. This allows companies who participate in United Way workplace campaigns the flexibility to schedule their campaign at a time convenient for them.

In addition to workplace campaigns, St. John United Way also raised funds from two special events during the 2018-2019 Campaign. The 20th Annual St. John United Way Golf Classic hosted by Marathon Petroleum Company, LP raised over $119,000; and the 16th Annual Valero Fishing Tournament which raised over $35,000.

“We continue to be inspired by the generosity of the businesses and individuals throughout St. John Parish. We appreciate everyone’s continued support to our organization as we work to create lasting changes in our community,” stated Executive Director, Artis Williams.
