2020-2021 ANNUAL REPORT

Message From Our Board President

*Gilda Arcuri,
President, SJUW
Board of Directors*

COVID-19 has taken a toll on everyone this past year, and St. John United Way (SJUW) is no different.

Despite the pandemic, St. John United Way allocated over \$450,000 to support over 25 partner agencies and programs throughout St. John Parish in the areas of health, education and financial stability.

This support would not be possible if it were not for the contributions from local companies, their employees and individuals throughout St. John Parish. Thanks to this continued support, St. John United Way saw success in its fundraising efforts in 2020 - 2021; raising over \$565,000.

St. John United Way is looking forward to continuing to grow our successes through our partnerships in St. John Parish. We plan to increase our fundraising efforts, which ultimately will lead to greater services provided to those in need. We are very excited about the future direction of St. John United Way!

Sincerely,

Gilda Arcuri
