7. Entergy
8. St. John Sheriff's Office
9. Turner Industries Group
10. Cornerstone Chemical Company

SJUW provides funding and support to over 25 agencies and programs targeting the areas of health, education and financial stability. These focus areas are considered the primary building blocks for a good quality of life.

SJUW works hard and efficiently to ensure your dollars are used to directly support services impacting St. John the Baptist Parish residents. Maintaining a low administrative expense is important to us. Currently, over 90 cents of every dollar donated is used directly to impact the St. John Parish community.

OUR MISSION

Uniting people and resources to create lasting changes in St. John the Baptist Parish by focusing on the building blocks for a better life – HEALTH, EDUCATION AND FINANCIAL STABILITY.

COVID - 19

As the COVID-19 pandemic continues to wreak havoc in our Parish, St. John United Way (SJUW) has stepped up in providing funds to those in need. A COVID-19 Relief Fund was put into place to raise funds for those in crisis throughout St. John Parish. Through generous donations, SJUW has collected and dispersed over \$140,000.

With our ever growing industries in St. John Parish, SJUW has partnered with STEM Nola to bring Science, Technology, Engineering and Math innovation to St. John. STEM St. John targets all K-12 students in St. John Parish.

This program will work to grow future innovators, creators and entrepreneurs through STEM inspiration, engagement and exposure. SJUW has raised over \$50,000 to make this program possible.
